- Concern regarding outcome from June District Meeting: sense of District taken re: CBIA quarterly payment for hotline
  - Outcome from June District 7 meeting - based on review of historical information, any GSR or AA Group wishing for the District to formally review returning to sending payments to Intergroup specifically earmarked towards the CBIA Telephone/Internet service, to submit a Motion to DCM for adding to a future Meeting Agenda
- Concern regarding DCM agreeing to host the Fall Assembly and the District not being asked for their agreement
  - As documented in the Area 68 Service Structure & Procedures document – at some point in the last 2 decades, the District 7 body agreed for Victoria, TX to be committed in rotation specifically for the Fall Area Assembly/Conference. Each District/City on the rotation list hosts once every 9 years.
  - Any GSR or AA Group wishing for District 7 to be removed from the rotation, to submit a Motion to the DCM for adding to a future Meeting Agenda
- Concern regarding the outcome of the June District Meeting - District voting decision to financial support the Hotel providing Coffee at the Fall Assembly/Conference and the Area requiring the Districts to be responsible for such an expense
  - Any GSR or AA Group wishing for the District or Area to review the financial process of the hotel/event location to serve coffee, to submit a Motion for adding to a future Meeting Agenda. This proposal can also be submitted directly to the Area via the Area 68 Proposal process if desired.
